## Welcome to Meadow Glade Church

Sabbath, January 4, 2020

Happy New Year! It’s a new year! Is that exciting or daunting? Inspiring or depressing? However you feel about “new” beginnings, let us make a MG community resolution for 2020 to love more and judge less, to accept without reservation, embrace “scruffy” hospitality, and spread the love of Jesus through our words and actions each and every day!

*“To be a Christian without prayer is no more possible than to be alive without breathing.”*

Meadow Glade DNA ... Every Christian congregation is a unique makeup of four distinct DNA elements: theology, culture, size, and philosophy of ministry. As we begin 2020, our MG DNA sermon series will focus on our philosophy of ministry highlighting: Community, Discipleship; Youth Ignite; and Service.

*“Real church community starts after the benediction!”*  
- Peter DeHann
