

Discipleship in the Home

Hospitality

One of the things we learn from the book of Acts is that the early church emphasized hospitality. Acts 2:42-47 mentions multiple times that Christians were constantly together, sharing a meal and praising God in their **homes**.

This is one reason the early church grew so fast; because there is power in meeting regularly with people in your home.

Spend time this month teaching your children the spiritual practice of hospitality by inviting a family to your home. Whether you are sharing a meal or playing games, the goal is to open your home regularly to be with others.
