Requirements and Information:

All children in grades 5 through 12 are eligible to join.

We would like all Pathfinders to learn the Pathfinder song and learn and obey the Pathfinder Pledge and Law. Pathfinders are expected to obey all regulations and orders of the Pathfinder Staff, including Junior Staff.

Our club activities include weekly meetings, honors, crafts, outreach projects (i.e. Walk & Knock), field trips, Camporee, Pathfinder Fair, etc. The Pathfinder must agree to participate and cooperate in these activities.

We encourage Pathfinders to be committed and faithful in attendance. If you will not be able to attend a meeting or event, you must let your Counselor, Deputy Director, or Director know in advance, if possible. In order to get the most benefit from being in Pathfinders and to build camaraderie within the units you will want to attend as many as possible.

Jewelry Policy

We try to uphold the standards of the Seventh-day Adventist church, and will continue to follow the Meadow Glade Adventist Elementary School's "no jewelry" policy. Parents, please help us out in this area. The rule applies to all Pathfinder events.

3. Meadow Glade Pathfinder Club Dues

At Meadow Glade we are blessed with a large club membership. We are a very active club and try to meet the standards of participation set forth by the North American Division of Seventh-day Adventists. To fund a club of our size to the level necessary to accomplish our goals and make Pathfinding both fun and meaningful for our children is not simple. It requires teamwork! The Meadow Glade Pathfinder club is funded in part by a subsidy from the Meadow Glade SDA Church. We also receive private donations from friends in Christ who love Pathfinders and the Pathfinder program. Lastly we find it creates a feeling of ownership to charge each member monthly dues. That said; no one is turned away from Pathfinders because of finances. If the fees cause undue hardship, please contact the club director, Taylor Kielman, as scholarships may be available.

Club Dues

The annual dues for the Meadow Glade Pathfinder club are \$100.00. There is a discount for having more than one Pathfinder in a family, if dues are paid in full at registration for the entire 9-month Pathfinder year. The other option is to make three equal payments of \$40.00 each: the first at registration in August, the second by December 1st, and the third by March 1st. There is no multi-child discount when paying in installments.

What do our dues help pay for?

The Meadow Glade Pathfinder club provides materials and honors patches for the many Pathfinder honors we teach during the year. The club supplies the materials for our yearly “pinewood derby” or “other District event.” We subsidize our camp outs during the year, in which the club arranges for food, transportation, lodging, camping equipment, and activities. The club provides transportation and materials for our annual Pathfinder Fair. In an effort to provide our kids with the best staff possible, the club funds the annual “Pathfinder Leadership Training” weekend sponsored by our Conference for all staff that wishes to attend. The club also funds our monthly field trips, “90%” parties, and various other events, programs, and summer activities. But probably the biggest benefit to families is our Pathfinder “Full Dress” uniform program.

The club purchases and maintains a supply of uniforms large enough to provide one uniform for each child who wishes to join our club! Most clubs ask new members to purchase their own uniforms, but at Meadow Glade we allow our Pathfinders to rent a uniform for a one-time rental fee. The rental fee helps cover cleaning, maintaining, and replacing our club uniforms. If your Pathfinder grows out of their uniform during the year, just trade it in for a larger size. It must be returned complete, clean, and in good condition at the end of each Pathfinder year. A full dress uniform consisting of pants, belt, shirt with proper patches, scarf, and slide costs about \$75.00.

We appreciate each Pathfinder family who contributes its time and finances. We ask that you would please continue to support our club at Meadow Glade with your prayers as we help to train our youth for service in Christ!

4. Merit System

The Meadow Glade Pathfinder Club will continue to use a merit system. The merit system challenges participation and involvement, thus opening the door to character development. It not only helps to develop personality and character, but also guides Pathfinders into a proper relationship with others through the practice of self-discipline and self-control. They learn to pit themselves against a standard rather than one another. It helps them to learn the importance of obedience to the natural and moral laws of life and practice firm self-control in their relationship to them.

Unselfish rewards achieved and gained without causing others loss and sorrow are good. Even God our Father offers to His faithful children the reward of eternal life. The merit system offers rewards of honor trips and special adventures to the Pathfinders who achieve a predetermined percentage of the total possible points over a given period of time.

Points are awarded as follows:

- A. Each weekly club night meeting is worth five (5) points:
 - 2 points for attendance
 - 1 point for arriving on time (6:30 PM sharp)
 - 1 point for being in uniform (Full Dress or Field, as required)
 - 1 point for bringing Pathfinder folder
- B. Camporee and Camping Skills Campout are worth ten (10) points each.
- C. District event is worth five (5) points.
- D. Pathfinder Induction is worth five (5) points.
- E. Walk-n-Knock share your faith activity is worth ten (10) points.
- F. Pathfinder Sabbath is worth ten (10) points.
- G. Pathfinder Fair is worth ten (10) points.
- H. Investiture is worth five (5) points.

There will be a special event for all those who receive 90% of the available points at the close of our Pathfinder year: a trip to Wild Waves Amusement Park in Federal Way, WA. Points are cumulative from the beginning of our year (starting at our first regular meeting in September and ending at the Pathfinder Fair in May).

To be eligible for "Pathfinder of the Year," the "Good Conduct Award," and possibly a few other awards, 90% of all points must be earned.

If a Pathfinder is ill or traveling out of town with family they may be granted an excused absence if they call their counselor, Deputy Director, or Director before the meeting or event they will be missing. One half of the points available for that meeting or event will be awarded in the event of an excused absence. Full points will be awarded if a Pathfinder misses a scheduled meeting or event because of an official school sponsored activity or mission trip. There may be other exceptions to full points being awarded at the discretion of the Club Director.

5. Personal Electronic Policy

As parents and Pathfinder staff it is our responsibility to protect our youth from negative outside influences. There are quite a number of factors to consider when it comes to running a safe Pathfinder club and the use of personal electronics is one of them.

The Meadow Glade Pathfinder club policy is: **NO** electronics during Pathfinder events, nor while traveling to and from Pathfinder events. We know many of you like to have direct contact with your Pathfinder. Instead of that connection being through their cell phone, let's make it through the cell phone of a staff member. All of our staff carries a cell phone, so there will be plenty around in case of an emergency.

If your Pathfinder is found to have an electronic device with them at any Pathfinder activity it will be confiscated. A parent will be required to collect the item, but please know that we cannot be responsible for these items. We will do our best to keep the items safe, but if they become damaged, lost, or stolen while in our possession we will NOT take financial responsibility for those items.

A stand-alone digital camera is the only electronic device your Pathfinder may carry to events.

If you have questions or concerns please contact Taylor Kielman at 360-901-8566.

6. Pathfinder Illness Policy

The Meadow Glade Pathfinder club expects that all Pathfinders who attend Pathfinder outings will be in good health at the time of departure and free from any symptoms of illness for the previous 24 hours from the departure time.

If a staff member has concerns that a child is ill before the outing begins, it will be discussed with the Pathfinder Director, who will make the determination about the Pathfinder participation in the outing.

If a Pathfinder suffers an injury or illness while on a Pathfinder outing, the Pathfinder staff will use their judgment about appropriate activation of the 911/EMS system. If the Pathfinder is suspected to have a potentially emergent illness or injury, the 911/EMS system will be activated before parents are contacted.

If a Pathfinder is determined to be ill, but not in need of urgent or emergent off-site medical evaluation, the Pathfinder's parent/legal guardian will be contacted by the Club Director, Counselor or their designee and the parent/legal guardian will be asked to pick up their Pathfinder in a timely manner.
